## PIG!

## Equipment:

## A die

## A scoring sheet is useful

## Rules:

This is a game for two or more people, although usually played in pairs. It is good practice for addition skills up to 50 , especially adding three or more small numbers.

The first player rolls the die as many times as he/she likes, adding up the total as he/she goes.

If, however, a 1 is thrown, all the score for that round is lost.
The player may stop at any time and put his/her score in the bank that banked score can not be lost.

When a score has been banked the die is passed to the next player who has his/her turn.

The winner is the first player to reach 50 or more.
Options: raise the winning score to 100 or more.
Use a 0-9 die with two losing options.
